

Why is that man here?

Why is Moriogi just sitting there?

Why is this train so empty?

And, more importantly, why now?

ONE MANGA!

Calm down, Reasa.

That man still hasn't
activated the Dragon Artifact.

and I can use the
Dragon Pearl's power

If he does
something.

Yes, I can handle it,
if something happens.

I was just surprised because
I didn't expect him to be there.

He cannot threaten me.

Spring, Middle, Forte Workshop. A Second-class Dragon Knight, killed in a fire.

You're looking for the culprit, aren't you?

But it seems you've lost all traces of him.

That's too bad.

It...

ONE MANGA!

It's none of your business.

None of
my friends,
right?

Anything related
to the Dragon Knights
is usually investigated
by the army.

I assumed you
were not pursued
by them,

so I believe you
owe me your
gratitude, instead.

You didn't come
at all for the people
of Lutanang and

I doubt you
did this to be
thanked by me.

Ahh, I was lucky
that time.

Thanks to a certain
someone changing the
people's memory, their image
of me has improved.

That really
worked in my
favor.

Lady Verona,
that man is

you promptly decide
our course of
action.

the culprit is.

He is someone
very close to me.

as well as
my enemy.

he has no proof.
he's just saying that
to calm you down. please
pay no heed to his
words.

I wish for
his destruction,
as well.

Our objective
is the same.

If you help me.

I'll gladly

help you

sever his neck.

I decline.

Thank you
for the follow-up
after the incident
in Middle.

I wish that I
could help you, but
I'm not interested

Even if the army
investigation reveals
and we have to oppose

I think it'll be
better than staying
near here.

I can't trust him.

I'll just take
Marnage and leave.

I'm shaking him.
